TERMS OF ACCEPTANCE

1. I understand the Director reserves the right to dismiss any camper whose behavior/attitude is disruptive or detrimental to the welfare of the camp. No refund will be given in the event of dismissal. It is the parent's responsibility to arrange transportation for early dismissal.
2. I authorize the use of my child's photograph in any camp publications (i.e. website, brochure, etc.)
3. I am aware the \$50 non-refundable deposit guarantees only the week for which my child was accepted; it does not guarantee his/her second choice if he/she elects to change into a different week at a later date.
4. If my child is not at camp by 5:30 PM on Sunday of his/her selected week, then, at the Camp Director's discretion, my child may be deemed to have forfeited his/her space, and the space will be offered to another camper due to the waiting list we have in many weeks.
5. Any bounced checks will incur a \$20 processing fee.
6. I understand that **ALL** medicines are to be turned over to the nurse upon arrival at camp unless a physician recommends that my child self-medicate, for example, with an inhaler or EpiPen. If my child takes regular medication, I will send enough medication for the entire time at camp in the original bottle/package that identifies the prescribing physician, name of the drug, dosage and frequency. I am aware that a nurse oversees the administration of medications. The staff will do their best to remind my child to take his/her medications, but it is not the responsibility of the camp staff to remind my child to visit the nurse. If your child is unable to visit the nurse, perhaps he/she is not mature enough to attend camp.
7. Failure to disclose any known medical or emotional condition and the seriousness of that condition may result in dismissal at the discretion of the Camp Director or Camp Nurse.
8. Due to our facilities, we do not have an infirmary to keep sick campers over a 24-hour period. Even if you are coming from out of town, please provide a contact person who can pick up your child within 24 hours if he or she is contagious.
