What about 22 years ago when the Atlanta Church of Christ started the camp or even 40 years ago when it was only a dream in Sonny & Carolyn's heart? Since then six countries in three different continents have experienced the place many call their second home: Jamaica, Barbados, South Africa, Brazil, India, and Bahamas; and two more countries

Since He started, over 2,300 campers and 320 counselors have had fun, made friendships and heard the gospel all across the world. Wow! Take a moment and thank the God of Wonders.

I am thankful to God and the Swamp Camp. Thank you Mr. Jeff and Ms. Jenny for inviting me to be with all of you in that wonderful experience. I admire and appreciate all your strength, time, sacrifice and love that you give to the camp. In that week, I learned a lot for my spiritual life, and I also had a lot of fun. I could see how Swamp Camp has developed a culture

in parents sending their children and in children wanting to go to the camp. I admire all of your hard work that you have been doing in the 22 years of The Swamp Camp.

It's wonderful to see how God has used the camp, cheering many teens to be disciples. It's impressive to hear their stories of how The Swamp has changed their lives. Years ago at the camp, many of them came as campers and now they are disciples and counselors. I think that The Swamp is really special because you can have fun, meet new friends and the most important is that you can learn more about God. I'm pretty sure that once you're at The Swamp, you will want to be there over and over again. I came back to Nicaragua being in love of The Swamp Camp and I wish I could be there next summer with my family. I love The Swamp!
