

Dear Sponsor:

Making Memories. Creating Character.

Engaging students in service-learning and leadership development opportunities is one of the most important factors in the maturity of the next generation. Developing students' character to be productive citizens is one of the most important factors in creating tomorrow's global communities. Swamp Corps is a camp-based training program that addresses both of these issues. With your help, we can prepare the next generation.

This January, Swamp Corps begins its seventh year of successful service-learning operations. In 2010, we went on our charter trip to Jamaica where 33 U.S. students and 77 Jamaican campers met in the mountains for an amazing charter week. Since then we have traveled to Barbados, South Africa, Brazil, India, and Nicaragua spanning three continents and serving over 3,000 children and offering over 560 students service-learning trips. This year, we will travel to Kenya, Zimbabwe, Nicaragua, and the Middle East.

The individual handing you this letter has volunteered to travel to one of our destinations this year at their own expense offering their time to make a difference. Your generous monetary gift will help them to attain their fund-raising goal. Donations can be in the form of a check made payable to Swamp Camp Services, Inc. or online using the Donate Now page on our website; click on the Participant Donation button and fill in their name in the description field on the 2nd page of the form. Once received, we will apply it to their account. Your gift is tax-deductible as we are a 501(c)3 organization (EIN 58-2381032). Please visit with your accountant for details.

In every community, there are desperate needs to teach children citizenship and strong character via a Biblical approach, which have lasting influences on society, commerce, and global relations. Because of you we can make the difference by providing the resources (i.e. this individual) to meet those needs. This is why we are asking you to please take the step of sponsoring our participant.

I deeply appreciate the time you have taken to read this letter and for the help you have decided to offer. For more information spend some additional time on our website or grab a few minutes with the individual who gave you this letter...I am sure they will talk your ear off!

Again, I extend our many thanks. Wish us safe and productive journeys.

Sincerely,
